

Motueka Power Boat Club News

JULY 2013

News from the MPBC

by Bruce Mathers

The 'new' Newsletter

This is the second 'new' quarterly newsletter to keep you up to date with what is happening around the club and to share some of the experiences of other club members out on the bay.

Electrical Certificates

All vessels in the marina need to have a current electrical certificate.

This certificate needs to be clearly visible from the outside so that the Marina Supervisor can see it.

Introduction

Hi, my name is Ray Frater. I was appointed the Marina Supervisor of the MPBC earlier this year.

I am responsible for allocating berths to vessels in the marina and keeping an eye on what is going on around the area.

If you see me around the marina come and say hello. I am usually on site for about an hour each day in the mornings.

I can be contacted any time on 027 4917699

Annual General Meeting MOTUEKA POWER BOAT CLUB Inc.

MYCC clubrooms
2 Ward Street

Thursday 15th August 2013
7.30pm

Agenda:

Commodores Report, Election of Officers, Financial Report, Set fees, & General Business

The new toilet block

This is now in place. There are a few compliance issues to be sorted before the certificate of use is issued - the expectation is that it is about 2 or 3 weeks away so watch this space.

The Website

For those of you who have not yet seen the MPBC website it can be found at www.mpbc.co.nz

The website is full of useful navigation hints and the latest weather information. You can also find copies of the newsletter.
